## **AVIATION FLIGHT DAY CAMP**

Discover the thrill of flying airplanes and helicopters. Experience the principles of flight through fun, interactive hands-on activities and actual flight. Gain an understanding of all aspects of aviation from professionals working and teaching in the industry.

### **FLIGHT INSTRUCTION**

Participants will receive flight instruction daily in a Cessna 172 and one introductory flight in a Schweizer 269C helicopter. Students will also experience flight in a bi-plane and a float plane during the aviation flight camp course at Snohomish Flying Service.

### **TOURS/SPEAKERS**

Students participate in daily field trips such as tour Boeing Aircraft in Everett, Museum of Flight at Boeing Field, Flight Safety, the FAA Control Tower at Paine Field, Skydive Snohomish, Air Traffic Control in Auburn and Airlift Northwest. Students will hear from motivational speakers and working professionals employed in aviation and from flight instructors, aircraft mechanics, helicopter pilots, aerospace professionals, commercial airline pilots, and skydiving instructors.

### **GRADUATION BBQ**

Aviation camp will include a delicious outdoor BBQ and student graduation on the last day of flight camp. Photos and graduation certificates will be awarded.

## **SESSION DATES**

The four day camp will be held August 2-5, 2010 at Snohomish Flying Service.

### **ENROLLMENT**

Enrollment is open to students between 11 and 15 years of age. Space is limited and the flight camp roster fills rapidly; early registration is highly recommended.

### **TUITION**

Tuition includes water, beverages, snacks, two hours of logged flight instruction in a Cessna 172, an introductory discovery flight in a Schweizer 269C helicopter, flights in the bi-plane and float plane and all instructional materials, classroom instruction, transportation, speakers, graduation BBQ, camp photo CD, graduation certificate, and entrance fees for all field trip activities.

### **COST & TUITION**

Tuition for the four day camp is only \$695. Payment can be made by cash, check, Visa, or MasterCard. A 3% convenience fee is applied to CC payments, or \$0.50 on debit cards. A non-refundable deposit of \$100 is due with registration. Please make checks payable to:

**Snohomish Flying Service  
9900 Airport Way  
Snohomish, WA 98296**

Full payment of the remaining \$595 balance is due no later than July 26, 2010. After that date, the reserved slot will be dropped and registration will continue on a space available basis, with full payment due upon registration.

## **AIRPORT LOCATION**

Harvey Field is a privately owned, full service general aviation facility located just 8 miles east of Everett and 25 miles north of Seattle in the beautiful Snohomish River Valley.

### **FACILITIES**

Flight Camp Students will meet in the Flight Office at the start of each day. Beverages and mid-day snacks will be provided daily. Flight camp students must bring their own sack lunch daily. Accommodations for flight camp students with disabilities will be provided.

### **Flight Camp Directors**

Your flight camp directors are experienced teachers, aviation managers, flight instructors, mechanics and commercial pilots. These professionals will ensure your experience at flight camp is educational, entertaining and informative. Students will learn about recreational and professional flying and the careers and opportunities available in aviation. We guarantee your experience will be memorable and one of a lifetime!

### **CANCELLATION/REFUND**

Written request for withdrawal from flight camp must be received no later than 7/26/10 to receive a refund (less the \$100 deposit). Refunds will not be granted after 7/26/10.
